Smart HR Solutions for
Your Small Business

As a professional employer organization (PEO), CoAdvantage specializes in – and excels at – handling human resources. We are HR experts who work as your outsourcing partner to administer payroll, benefits, workers’ compensation and core HR functions.

Our integrated and flexible approach to personalized HR management enables us to provide top level services for small business owners in many industries. We help employers improve profitability and simplify employment management by building a solution that supports your business needs and allows you to refocus your resources on growth and development.

Under a co-employment arrangement, CoAdvantage and you share certain employer responsibilities, but you maintain control of your day-to-day operations and retain responsibility for production, staff management, planning/investment spending, finance and sales and marketing.

Customer-Centric Approach

Our ability to serve you with a high degree of expertise stems from understanding your market, uncovering your business needs, and implementing a service model that ensures smooth integration. With an onboarding process rooted in Six Sigma methodology, we transition your account as seamlessly as possible. Our certified HR consultants work with you to provide guidance and develop service plans that support your business objectives, help keep you compliant, and heighten employee engagement.

“For a small company, having a PEO relationship is pivotal. It gives me the time to focus on what I am supposed to be focusing on, which is the business—the profitability of the company, our revenues.”
